

Mark Davis Joins AerSale® as Vice President of Airframe MRO Sales to Lead Strategic Transformation in Airframe Maintenance Business

MIAMI, Florida – September 10, 2024 - AerSale® Corporation (NASDAQ: ASLE) (the “Company”), a leading provider of aviation products and services, is pleased to announce the appointment of Mark Davis as the new Vice President of Airframe MRO Sales, reinforcing the company’s commitment to transforming its presence within the Airframe Maintenance, Repair, and Overhaul (MRO) industry. In this role, Davis will spearhead AerSale’s strategic push to expand its Airframe MRO services, driving innovation and enhancing its competitive edge in the global aviation market.

With over four decades of experience, Davis is a proven leader in the aviation sector, having led significant transformations at several industry giants. His most recent position as Senior Vice President of Group Commercial at HAECO Americas underscores his expertise in scaling MRO services, fostering innovation, and nurturing key industry relationships. At HAECO, Davis oversaw the global services portfolio, which played a crucial role in the company’s evolution within the MRO landscape.

Prior to his time at HAECO, Davis served as Vice President of Sales & Marketing at TIMCO LineCare, LLC, playing a key role in the company’s expansion from a few locations to a network of maintenance and refurbishment sites at over 20 airports. His career in aviation began with a remarkable 30-year tenure at United Airlines, where he managed global contractual oversight of outsourced Airframe and Line Maintenance.

“Mark’s appointment is a key part of AerSale’s larger strategic goal to elevate our Airframe MRO capabilities and become a leader in the sector,” said Basil Barimo, President - MRO Services of AerSale. “We are determined to not only expand our services but also to redefine how we engage with our clients and partners in the Airframe MRO space. Mark’s proven ability to lead complex operations and drive growth makes him the perfect person to guide us through this transformative phase.”

Davis is equally enthusiastic about the opportunity. “AerSale is positioned to significantly evolve its Airframe MRO offerings and I’m excited to contribute to this vision,” Davis said. “As the aviation industry evolves, AerSale’s commitment to innovative, high-quality MRO services will be critical in defining the future of airframe maintenance. I’m thrilled to be a part of that journey.”

AerSale’s leadership believes that Davis’s appointment is a clear signal of its intent to strengthen its market position and achieve long-term growth in the Airframe MRO sector. By leveraging the company’s extensive aviation expertise and fostering key industry partnerships, AerSale aims to deliver unmatched value to its customers and position itself at the forefront of the MRO industry’s

About AerSale®

AerSale serves airlines operating large jets manufactured by Boeing, Airbus and McDonnell Douglas and is dedicated to providing integrated aftermarket services and products designed to help aircraft owners and operators realize significant savings in the operation, maintenance and monetization of their aircraft, engines, and components. AerSale's offerings include Aircraft & Component MRO, Aircraft and Engine Sales and Leasing, Used Serviceable Material sales, and internally developed 'Engineered Solutions' to comply with regulatory mandates and/or to enhance aircraft performance and operating economics (e.g. AerSafe®, AerTrak®, and now AerAware™).
